SUMMARY

I am an up and coming talent who is making quick strides in the industry. From acting in films to modeling on runways. I am very excited to move forwards in my career.

My name is Alexander Slack, I am a 24-year-old talent based in New Jersey and New York. I am making great strides in the development of my career and am signed with MMG Talent Agency.

I have experience modeling for commercials, runways, and photoshoots. I have acting experience on TV shows, films, and advertisements. I am quick to learn new skills and will bring eagerness to any project I may be on. I bring joviality and professionalism to all work environments. I exercise regularly and keep myself in good physical condition

I am excited to explore this path further and look forward to hearing from those interested in working with me.
